FR REMINDER

Mr. Rao,

Further to my voice mail, I am sending copies of the outstanding Forms PTO-1449 in the present application. The first page is the Form PTO-1449 from the IDS filed January 10, 2001 (received by OIPE January 12, 2001), which was partially considered January 19, 2003. Specifically, it appears that the Examiner inadvertently overlooked the citation of U.S. Patent No. 4,838,654 to Hamaguchi. The last four pages are the IDS filed November 1, 2005 (received by OIPE November 3, 2005). The Applicant respectfully requests consideration of these references in due course and a Supplemental Notice of Allowability or other document, as appropriate. The Applicant further respectfully requests resolution of this matter prior to payment of the Issue Fee, which is due ~~February 5, 2008~~
JULY 7, 2008

Should the Examiner believe that anything further would be desirable to place this application in better condition for allowance, the Examiner is invited to contact our office at the telephone number listed above.
